Only 2012 BVSc graduates of Massey University (or those who have completed the requirements for the award of a 2012 BVSc, Massey) should use this form.

Other applicants must use the general registration application form available on www.vetcouncil.org.nz and on request from the Veterinary Council offices.

Important notes

This application form is a legal document. Please print all answers clearly and **do not** use correction fluid or tape. Any error should be crossed out and initialled.

Provisional registration should be able to be approved within one week of receiving your application, provided:

- this form has been completed in full and is accompanied by the required documents and fees; and
- you hold, or have met the requirements for the award of, a 2012 BVSc Massey.
- there are no issues relating to your fitness to practise

All applicants must complete the application carefully and honestly. If you provide false or misleading information your registration may be cancelled.

The information you give in this application is covered by a statutory declaration which must be declared in front of a person authorised to administer an oath for the purpose of statutory proceedings. Notaries Public and Justices of the Peace are listed in the Yellow Pages of the telephone directory and a list of other people eligible to certify documents is provided on page 5 of this document. The certification must state your full name, the date and include the stamp of the certifying officer and their signature. Certification should be directly on the copied document and not on any attached sheet.

The Veterinary Council receives direct advice from Massey University about who is eligible to graduate, so you do not need to provide proof that you have completed your degree. However if you wish to have any other academic qualifications (e.g. BSc) listed in the Register of Veterinarians, you must supply evidence for this.

We prefer not to receive original documents as they require special care. All copies of your documents must be certified or notarised as true copies of the originals by the official who witnesses your statutory declaration. This person must also sight and certify a copy of the identification pages of your passport or New Zealand driver's license and certify the required photograph as a true likeness of you.

Please use the checklist at the back of this application to ensure you have enclosed the correct fees, all relevant documents and that you have **completed all sections**. By ensuring all documents are copied, certified correctly and enclosed with the application registration can occur quickly. Incomplete applications may be returned to you for completion.

Please forward your completed application to:

The Registrar
Veterinary Council of New Zealand
