Who should use this form?

This application form should be used by:

- applicants holding recognised qualifications or a pass in a prescribed assessment or examination programme (refer to www.vetcouncil.org.nz for details); and
- applicants with non recognised qualifications who are seeking to gain registration in New Zealand by sitting and passing the New Zealand National Veterinary Examinations (NZNVE).

New graduates of Massey University should use the Massey New Graduate Registration application form available on www.vetcouncil.org.nz and on request from the Veterinary Council offices.

Requirements for registration and the issue of a practising certificate

Before approving registration and the issue of a practising certificate the Council must be satisfied that applicants:

- have a recognised qualification or a pass in a prescribed examination or assessment
- meet minimum fitness and recency of practice requirements (refer to www.vetcouncil.org.nz/pubs for Policy on Recency of Practice and Gazette Notice on Minimum Standards for Practising)
- can communicate in and understand English to the required standard
- (and in the case of those seeking registration on the basis of a pass in a prescribed examination or assessment) also have a veterinary science degree or diploma of not less than 4 years of study

Important notes

This application form is a legal document. Please print all answers clearly and **do not** use correction fluid or tape. Any error must be crossed out and initialled.

Provided the application has been completed in full and accompanied by the required documents and fees we will advise you of the outcome within one to two weeks.

All applicants must complete the application carefully and honestly. If you provide false or misleading information your registration may be cancelled.

The information you give in this application is covered by a statutory declaration which must be declared in front of a person authorised to administer an oath for the purpose of statutory proceedings. Outside of New Zealand you must use a Notary Public or Commissioner of Oaths. In New Zealand Notaries Public and Justices of the Peace are listed in the Yellow Pages of the telephone directory and a list of other people eligible to certify documents is provided on page 8 of this document. The certification must state your full name, the date, and include the stamp of the certifying officer and their signature. Certification should be directly on the copied document and not on any attached sheet.

We prefer not to receive original documents as they require special care. All copies of your documents must be certified or notarised as true copies of the originals by the official who witnesses your statutory declaration. This person must also sight and certify a copy of the identification pages of your passport and certify, on the reverse of the required photograph, that it is a true likeness of you.

Please use the checklist at the back of this application to ensure you have enclosed the correct fees, all relevant documents and that you have **completed all sections**. By ensuring all documents are copied, certified correctly and enclosed with the application the registration process can be undertaken quickly. Incomplete applications may be returned to you for completion.

Please forward your completed application to:
